

Free Dump Day is August 31

Greenwood Township will be hosting a free summer cleanup day for residents to dispose of items they no longer need. This is an opportunity for residents to clean up their properties that may have accumulated unsightly items over time.

Township Supervisor Fred Lindsey announced that large dumpsters will be placed at the transfer site located at 3510 Red Oak Road on Saturday, August 31, 2019 from 9:00 a.m. to 3:00 p.m.

The dumpsters will be available for large items that one may not be able to easily dispose of. Such items include furniture, mattresses, metal, and other bulky items. The township will **NOT** accept tires, refrigerators/freezers, paint, or propane tanks.

You must present proof of residency to participate, such as a dump card or tax bill. The township hopes to have assistance available if needed. Please call (989) 786-7872, extension 5, for questions or more information.
